## **Welcome to the Army Banking and Investment Fund (ABIF)**

This Operations Manual was designed to provide you with information and basic procedures for using the ABIF's cash management products and services. If you have any suggestions in improving this manual we would like to hear from you.

The ABIF is a pooled fund for all Army NAFIs. 1st Union/Wachovia, the cash management processor for the ABIF, concentrates funds from each NAFI's local bank account into the NAFI's bank account at Wachovia. Debits and/or credits are posted to the individual First Union/Wachovia accounts throughout the day. At the end of each day all accounts are brought to a zero balance. Funds are swept into a master cash account and invested in U.S. Government or U.S. Government-backed obligations to maximize investment earnings.

The Army Banking and Investment Office maintains account balances for each ABIF participant. The Wachovia accounts will not carry balances; they are only used to process daily cash management transactions. ABIF participants generally have one ABIF account and two Wachovia accounts. The ABIF account will maintain your account balance. The Wachovia accounts consist of a Demand Deposit Account (DDA) and a Controlled Disbursement Account (CDA). Checks cleared will be posted daily to your CDA account, all other transactions, like electronic transfers, will be posted to your DDA account.

Each month you will receive monthly bank statements from Wachovia with daily, itemized information of all your Wachovia transactions for the month. In addition, you will receive a statement from the ABIF office showing In-Army transactions, net daily transactions at Wachovia, and your account balance with the ABIF.

Whether you need new banking services, request an audit confirmation, or want to inquire about existing services (i.e., monthly bank statements, balance information, signature cards) you should always contact the U.S. Army Banking Office at DSN 761-7294 or (703) 681-7294. Audit requests should be addressed to the Army Banking Office since they maintain account balances. Please include your 5-digit ABIF account number in your request. You may also e-mail requests for services to the ABIF Banking Office personnel listed on page 2.

The appendix of this manual, beginning on page 18, offers sample letters and forms you may use to conduct your daily banking business with the ABIF.

Account Maintenance: OPENING AND CLOSING ACCOUNTS**

This page will document the steps necessary for opening and closing Wachovia Accounts for ABIF participants. The ABIF office will handle openings and closings of accounts.

THE PROCEDURE:

In order to open or close an account, submit a written request to the U.S. Army Banking and Investment Office, including the following necessary information:

To open an account:

1. Prepare a request to the ABIF Banking Office to open an account.
2. Complete account signature cards.
3. Send original request and original signature cards to the U.S. Army Banking Office (see address in Directory of Key Cash Management Personnel, page 4.)

To close DDAs:

1. Reconcile your last monthly account statement.
2. Prepare a request to the ABIF Banking Office to close the account.
3. Include date of account closing.
4. Indicate how any residual balance and interest payment should be treated.
5. Fax to U.S. Army Banking Office at DSN 761-7348 or (703) 681-7348 and send letter originals to the U.S. Army Banking Office (see address in Section One - Directory of Key Cash Management Personnel, page 4.)

## **Wachovia Accounts**

### **Account Maintenance: YOUR DDA STATEMENT**

Wachovia will dispatch your statement within approximately three (3) business days (excluding weekends and holidays) of your rule-off date, which, unless specified otherwise, is the last business day of the month. Standard delivery within the continental US will be via U.S. Postal Service that generally takes 2-4 business days.

In general, the ledger balance of your Wachovia account will be shown as zero on your monthly statement.

*Each day at the close of business, the balance in your Wachovia account is brought to zero. This is done so the Army Banking and Investment Fund (ABIF) can concentrate funds from all NAFIs to maximize investment earnings.*

The zero balances on your First Union/Wachovia account statements are not indicative of the balances maintained by the US Army Banking Office and invested by the ABIF. You will receive a separate monthly statement from the US Army Banking Office reporting the balances they maintain for you.

If you need to know your account balance, do not call First Union/Wachovia since their system will show a zero balance. Contact the U.S. Army Banking Office for this information at (703) 681-7294 or DSN 761-7294.

Please contact the U.S. Army Banking Office if you have any problems with your monthly statement.

## **Wachovia Accounts**

### **Changes Affecting Accounts: CHANGES IN AUTHORIZED SIGNERS**

#### **PROCEDURE:**

Whenever you need to make a change in authorized signers you should send a replacement signature card to the U.S. Army Banking Office. Please refer to the Forms Section at the end of this manual.

You should forward the original signature card to the U.S. Army Banking Office at 4700 King Street, Alexandria, Virginia 22302-4406

If you are running short of signature cards, call the Army Banking Office for new cards. You may also make a photocopy of the blank signature card and use that. However, the signatures you forward to the Army Banking Office must be originals.

Be sure you retain a photocopy of the completed signature card(s) for your files. Army Regulation 215-1 requires review and, if needed, replacement of signature card(s) yearly.

If you are adding an authorized signer to your account(s), and no other changes are being made (no current signers are being deleted) you may submit a card with only the signature of the new authorized signer. Please cover the card with a note indicating that this is an addition, not a replacement card.

## **Wachovia Accounts**

### **Concentration of Funds: SET-UP or CHANGES IN LOCAL NAFI DEPOSITORY BANKS**

#### **THE PROCEDURE:**

The U.S. Army Banking Office needs to be notified in writing if you want to set up a new local bank account to automatically move funds from your local bank to your Wachovia account or if you need to make changes to your local NAFI depository bank information.

Funds from your local bank(s) to your Wachovia account are upstreamed automatically. To set up the relationship for electronic funds transfer between the accounts, please complete the form “Authorization to Upstream From Local Bank Account”(page 30.)

When changing local bank information, you will need to complete two required forms:

1. Change in Local NAFI Depository Bank letter. Refer to page 21 of this manual.
2. Authorization to Change Upstreaming From Local Bank Account, see page 31.

Be sure to contact the Banking Office well ahead of time when you change local banks, or when your local bank account information changes. It will be several days before the new set-up or any changes can be completed by the data collection service that manages the deposit concentration.

## **Wachovia Accounts**

### **Changes Affecting Accounts: CHANGES IN STATEMENT ADDRESS**

Should the statement address of an ABIF participant change the ABIF Office will need to know the new mailing address so that you will receive your bank statements and any other correspondence without delay. The ABIF office will notify Wachovia of the change of address.

#### **THE PROCEDURE:**

Any change in your statement address needs to be requested through the US ARMY BANKING OFFICE.

You need to send the US ARMY BANKING OFFICE a letter on your official letterhead documenting your change in account statement address. The letter should include the following information:

1. ABIF Account number (a five digit number you can find on the top of your monthly statement)
2. Account title
3. New statement mailing address
4. POC, telephone and fax number

## **Wachovia Accounts**

### **Deposits: PREPARING MAIL DEPOSITS**

This section will assist you in the efficient preparation of your First Union/Wachovia DDA deposits.

DO NOT SEND CASH.

NEVER SEND A DEPOSIT WITHOUT A PRE-PRINTED DEPOSIT TICKET.

Your deposits should contain only U.S. Dollar checks, travelers' checks and money orders drawn on banks in the United States, Puerto Rico, the United States Virgin Islands and U.S. Dollar checks payable in Canada.

If you include items other than these in your deposit, processing of your deposit may be delayed and the inappropriate items may be returned to you.

#### **ENDORSEMENTS:**

Please make sure that all checks are properly endorsed by your institution in accordance with Regulation CC. It is prudent to endorse a check by printing the name of your NAFI on the back of the check and include "For Deposit Only." HOP account holders (account number 2000014869918) should always use their endorsement stamp that has your location number embossed.

#### **FOR YOUR RECORDS:**

Make a photocopy of all items you are mailing to the bank. In the case of lost or damaged mail, resolution will be much easier. If you are missing a mailed deposit, contact the issuer of the lost check to inquire if the check has cleared the issuer's bank account. If you need further assistance contact the Army Banking Office at (703) 681-7294 or DSN 761-7294.

#### **DEPOSIT TICKETS:**

If you make deposits by mail, the ABIF office will supply you with deposit tickets that are MICR-encoded with your DDA number and your unique location code, if applicable, in order to speed posting to your account. Deposits received without MICR-encoded deposit tickets could be subject to processing delays and can impair accurate reporting of your account information.

Complete the deposit ticket and mail your deposits to:

First Union National Bank  
Attention Mail Teller VA3289  
P.O. Box 26029  
Richmond, Virginia 23260-6090

USPS Priority and Overnight mail should be sent to:

First Union National Bank  
Attention Mail Teller VA3289  
4340 Innslake Drive  
Glen Allen, Virginia 23060

To order deposit tickets, use the Deposit Ticket Ordering Form on page 26 and fax or mail your request to:

U.S. Army Banking Office  
4700 King Street  
Alexandria, VA 22302-4406  
Fax: DSN 761-7348

## **Wachovia Accounts**

### **Procedures: HOW TO PLACE STOP PAYMENTS**

#### **OVERVIEW:**

The reasons for placing a stop payment on a check can include the check becoming lost, inadvertently duplicated, issued for an incorrect amount, etc.

Army Banking Office policy is not to place stop payment orders on checks issued for less than \$25.00.

The U.S. Army Banking Office will place a stop payment on a check drawn against your Wachovia account. If the check has not already been presented to First Union/Wachovia and cleared your account, First Union/Wachovia will issue a "stop" that will prevent your account from being debited if and when the check is presented for payment.

#### **THE PROCEDURE:**

Before initiating a Stop Payment Request via fax,

1. Review all banking statements subsequent to check issue date to verify that the check in question has not already been presented and paid.
2. Fax your request to the U.S. Army Banking Office at DSN 761-7348 or (703) 681-7348 or call DSN 761-7294 or (703) 681-7294 to initiate the stop payment. You can find the fax form in the Forms Section on page 24.
3. Provide the following information:
  - a. Your name, phone and fax number and e-mail if applicable.
  - b. First Union/Wachovia account number on which the check(s) is drawn.
  - c. Check serial number
  - d. Dollar amount of check
  - e. Payee
4. The U.S. Army Banking Office will fax or e-mail you a confirmation of the stop placement.

If you wish to place a stop payment on a consecutive series of checks, (for example, if a box of checks is lost) you may place a range stop payment. When you submit your request, you need to submit the first and last check number in the series.

#### **Please note:**

If the check in question is over 45 days old, though First Union/Wachovia will process the stop payment request, they will not be liable for checks that have already cleared your account.

Stop payment requests expire after two years, unless you requested a longer period. If you require an extension of your stop payment beyond two years, you must make another stop payment request two weeks prior to the stop expiration date.

#### STOP PAYMENT RELEASES:

The U.S. Army Banking Office can only make releases on stop payments. If you wish to issue a release on a stop payment, you must submit a request on your official letterhead, signed by your authorized signer, to the U.S. Army Banking Office.
